### 1. Tender, Order and Acceptance

The Purchaser's orders shall be binding on Jaysn International only if the Purchaser has received a written order confirmation. Unless otherwise agreed Jaysn International only accepts prepayment of orders.

### 2. Jaysn International's Performance

Jaysn International's performance shall include only the parts and goods specified in the order confirmation and Jaysn International undertakes to deliver goods of good standard quality in terms of materials and workmanship under these Terms of Sale and Delivery and any specific terms agreed upon. Used goods and exchange goods are only accepted subject to prior written agreement.

### 3. Delivery and Title of Goods

Unless otherwise expressly agreed in writing, delivery shall be ex works (Incoterms 2000). Jaysn International shall take out insurance covering the Purchaser's risk concerning transport only if this has been agreed in writing. Jaysn International retains its title to the goods delivered until full payment of the purchase sum has been received by Jaysn International's bank.

### 4. Prices

The price shall be ex works (Incoterms 2000) and is exclusive of VAT and other duties and exclusive of packing. For EU countries, however, VAT is levied if the Purchaser's VAT number is unknown. Jaysn International reserves the right to make price changes - also after order confirmation - on the basis of documented changes in taxes, customs duties and other duties. If the delivery is altered or if Jaysn International's costs increase in any other way as a result of the Purchaser's affairs, Jaysn International reserves the right to adjust the price or terminate the contract.

### 5. Terms of Payment

Unless otherwise expressly agreed in writing, the terms of payment are prepayment of the full invoice amount upon the placement of the order. ### 6. Time of Delivery

Unless otherwise agreed, delivery up to 5 working days - as defined in Denmark - prior to or after the stipulated time of delivery shall in every respect be regarded as punctual delivery. Jaysn International may demand an extension of the time of delivery in the following instances:

- a) in the event of alterations to the order requested by the Purchaser;
- b) in the event of delayed deliveries or performances which the Purchaser himself effects or which are effected on his behalf, or in the event of the Purchaser's delay in fulfilling other obligations resting with him;

- d) if the work relating to the delivery has to be suspended or is delayed or changed as a result of public order. In the above cases a), b) and d) Jaysn International also reserves the right to adjust the price agreed.

### 7. Delay

If Jaysn International does not effect punctual delivery, and if Jaysn International is not entitled to an extension of the time of delivery, cf. clause 6 above, Jaysn International shall inform the Purchaser hereof and shall at the same time - to the extent possible - state the time at which delivery may be expected to take place.

The Purchaser is entitled to terminate the contract only if the Purchaser has specified to Jaysn International a date for delivery which is reasonable in view of the circumstances and has at the same time specified that the contract will be terminated if delivery is not effected within the time stipulated. If the delay concerns only part of the goods, the Purchaser may terminate the contract only in respect of the relevant part of the goods. If the delay concerns non-standard goods produced and manufactures to the specifications of the Purchaser, the contract may only be terminated if, as a result of the delay, the Purchaser's intentions with the purchase will fail fundamentally. Apart from the above stipulations under this clause, Jaysn International undertakes no responsibility for delay or consequences hereof and the Purchaser shall not be entitled to claim penalty or damages from Jaysn International nor to resort any other remedies in the event of a delay.

### 8. Purchaser's Default

If, after the time of delivery, the Purchaser fails to collect the goods or order dispatch on the same day as delivery, Jaysn International shall be entitled to store and insure the goods at the expense of the Purchaser. If, despite of written request, the Purchaser fails to collect the goods, Jaysn International shall be entitled to sell the goods in the best possible way on behalf of the Purchaser. This also applies where the goods have been especially manufactured according to the Purchaser's instruction or specification.

### 9. Duty of Notification and Examination

The Purchaser shall thoroughly examine the goods upon receipt - and the latest 1 day hereafter - to see if they comply with the contract. The Purchaser shall immediately notify Jaysn International of any defects found by such examination and the Purchaser cannot at a later date refer to defects or shortcomings, which could have been found

by such examination. The same applies if the Purchaser fails to notify Jaysn International immediately of defects found at a later date, which he neither has nor should have found upon delivery.

### 15. Return Policy

Unless otherwise agreed, Jaysn International does not accept the return of goods. If agreement with the Purchaser is reached Jaysn International is entitled to a surcharge of 14% of the price of the returned goods.

### 16. Force Majeure

If perfect or punctual delivery is temporarily impeded by one or several of the above circumstances, delivery shall be extended by a period equivalent to the duration of the impediment with the addition of a reasonable period to allow for a normalisation of the conditions. Delivery at the time thus postponed shall be considered punctual in every respect. If the delivery impediment is expected to last for more than 8 weeks, both Jaysn International and the Purchaser shall be entitled to terminate the contract and such termination shall not be considered breach of contract.
